

Metro

-  Cold drinks stay cold
-  Hot drinks stay hot
-  No nasty chemicals
-  Durable
-  Double-walled insulation

The Metro Travel Cup is a sleek and stylish model that's ready to go wherever you go. Made from Stainless Steel and available in three popular sizes, the Metro features double-walled insulation technology to help maintain your beverage temperature for longer. We can add your logo to the enlarged branding area in ultra-precise detail. Get in touch today regarding prices, delivery times and samples.
